

Vividion Therapeutics

Scientist, Immunology/Immuno-Oncology

Vividion Therapeutics is seeking a highly-motivated Scientist to contribute to the identification and development of novel small-molecule drugs. Vividion is a privately held biotechnology company based in San Diego that is leveraging an innovative and proprietary chemical proteomics platform to efficiently discover novel drugs in multiple areas including oncology and immunology.

As an early stage startup company, Vividion is looking for energetic and experienced candidates with a desire to work in a fast-paced and dynamic team environment. The successful candidate will have extensive hands on experience with standard immunological techniques (Flow cytometry, ELISA, primary cell isolation and culture, etc.). This position will be responsible for leading efforts towards the validation of multiple novel drug targets via a variety mechanisms, including testing the effects of tool compounds on proteins in cellular and biochemical settings, and the use of Vividion's proprietary chemical proteomics platform.

Experience and education requirements:

- PhD and 3+ years postdoctoral training or biotech/pharma experience in cellular immunology, immuno-oncology, or a related field
- Proven track record of success demonstrated by first author papers in high impact journals and presentations at scientific conferences
- Proficiency in the isolation and culture of human and murine primary immune cells, multi-color flow cytometry, and basic molecular biology techniques (PCR, QPCR, Western blot, etc.)
- A thorough knowledge of the molecular pathways involved in the activation of the innate and/or adaptive immune response
- Excellent oral and written communication skills
- Be an effective team player and strong individual contributor, flexible, and able to handle multiple tasks and deliver high quality results under tight timelines

In addition to a competitive compensation package with stock options, Vividion also offers a comprehensive benefits package for our employees and their families, which includes medical, dental, life, disability insurance. For consideration, please submit your resume and cover letter referencing job SII02017.03.29 to careers@vividion.com. Vividion Therapeutics, Inc. is an EEO employer.
