

## **Vividion Therapeutics**

### **Senior/Principal Scientist, Biochemistry/Chemical Biology**

Vividion Therapeutics is seeking a highly-motivated Scientist to contribute to the identification and development of novel small-molecule drugs. Vividion is a privately held biotechnology company based in San Diego that is leveraging an innovative and proprietary chemical proteomics platform to efficiently discover novel drugs in multiple areas including oncology and immunology.

As an early stage startup company, Vividion is looking for energetic and experienced candidates with a desire to work in a fast-paced and dynamic team environment. The successful candidate will have extensive hands on experience and expertise in biochemistry and enzymology with an emphasis on the evaluation of the impact of small molecules on protein function and stability both in vitro and in a cellular context. A demonstrated working knowledge of the use of covalent chemical probes and mass spectrometry based proteomics analyses for evaluating small molecule-protein interactions is highly desired. This position will be responsible for leading efforts towards the optimization and establishment of protein targeting strategies and will involve extensive use of Vividion's proprietary chemical proteomics platform and resulting data.

Experience and education requirements:

- PhD and 5+ years biotech/pharma industry experience in biochemistry, chemical biology, chemical proteomics or related disciplines
- Demonstrated knowledge and experience evaluating covalent protein binders/inhibitors
- Working knowledge of mass spectrometry based analyses for chemical proteomics investigations
- Excellent oral and written communication skills
- Be an effective team player and strong individual contributor, flexible, and able to handle multiple tasks and deliver high quality results under tight timelines

In addition to a competitive compensation package with stock options, Vividion also offers a comprehensive benefits package for our employees and their families, which includes medical, dental, life, disability insurance.
