

Vividion Therapeutics

Senior Scientist, Analytical Chemistry

Vividion Therapeutics is seeking a highly-motivated Senior Scientist to contribute to the identification and development of novel small-molecule drugs. Vividion is a privately held biotechnology company based in San Diego that is leveraging an innovative and proprietary chemical proteomics platform to efficiently discover novel drugs in multiple areas including oncology and immunology. As an early stage startup company, Vividion is looking for energetic and experienced candidates with a desire to work in a fast-paced and dynamic team environment.

The ideal candidate will be responsible for all aspects of analytical chemistry in support of drug discovery, including oversight of mass-based purification of medicinal chemistry compounds, chiral separations, liquid chromatography and mass spectrometry instrumentation, compound properties characterization, and hands-on expertise using supercritical fluid chromatography (SFC). To facilitate future growth of the department the candidate will also show a clear attention to the latest advances in separation and spectroscopic technologies. Additional responsibilities will include playing an integral role in developing a compound management work flow and coordinating with outsource chemistry activities.

Minimum education and experience requirements include:

- PhD and 6+ years (or MS and 8+ years) biotech/pharma industry experience in chemistry and/or analytical chemistry
- Track record of contributions in analytical chemistry as an integral part of drug discovery programs
- A broad understanding of drug discovery
- Direct experience in organic chemistry
- Effective communication skills, both verbal and written

The preferred candidate will be comfortable balancing the use traditional approaches and exploring novelty on the cutting edge of modern analytical and purification technologies. Attributes such as curiosity, creativity, instinct, focus, attention to details, and a willingness to challenge dogma will differentiate the best candidates.

In addition to a competitive compensation package with stock options, Vividion also offers a comprehensive benefits package for our employees and their families, which includes medical, dental, life, disability insurance. For consideration, please submit your resume and cover letter referencing job SSAC2017.05.23 to careers@vividion.com. Vividion Therapeutics, Inc. is an EEO employer.
