

## **Vividion Therapeutics**

### **Research Associate/Associate Scientist, Immunology**

Vividion Therapeutics is seeking a highly-motivated Research Associate/Associate Scientist to contribute to the identification and development of novel small-molecule drugs. Vividion is a privately held biotechnology company based in San Diego that is leveraging an innovative and proprietary chemical proteomics platform to efficiently discover novel drugs in multiple areas including oncology and immunology.

As an early stage startup company, Vividion is looking for energetic and experienced candidates with a desire to work in a fast-paced and dynamic team environment. The successful candidate will have extensive hands on experience and expertise in immune cell culture techniques such as isolation of specific cell types and functional assays including proliferation and cytokine production, and some experience with flow cytometry, as well as basic molecular biology techniques such as DNA, RNA isolation and PCR.

Responsibilities include, but are not limited to:

- Supporting the validation of novel drug targets via multiple mechanisms, including testing the effects of compounds on immune cell function.
- Working closely with senior members of the team to implement novel assays.

Experience and education requirements:

- BS with 7+ years or MS with 5+ years of experience (biotechnology/pharmaceutical industry experience strongly preferred).
- Required technical skills include immune cell isolation using bead-based methodology, flow cytometry, immune cell based functional assays for cytokine production and ELISA.
- Desirable techniques include in vivo skills, Western Blotting, PCR/qPCR and cell line-based assays.
- Drug discovery experience in Immunology or Immuno-oncology is preferred.
- Excellent oral and written communication skills
- Outstanding problem-solving skills, troubleshooting skills and organization skills
- Be an effective team player and strong individual contributor, flexible, and able to handle multiple tasks and deliver high quality results under tight timelines

In addition to a competitive compensation package with stock options, Vividion also offers a comprehensive benefits package for our employees and their families, which includes medical, dental, life, disability insurance. For consideration, please submit your resume and cover letter referencing job RAIO2019.03.04 to [careers@vividion.com](mailto:careers@vividion.com). Vividion Therapeutics, Inc. is an EEO employer.
