

Vividion Therapeutics

Scientist / Sr. Scientist, Biology

Vividion Therapeutics is seeking a highly motivated Scientist / Sr. Scientist to contribute to the discovery and development of novel small-molecule drugs.

Vividion is a next generation drug discovery company that harnesses the power of chemical proteomics to conduct proteome-wide footprinting of drug-protein interactions with unprecedented breadth and precision. Our technology allows us to screen, identify and optimize novel drugs that selectively bind virtually any protein, including proteins previously considered “undruggable”. We are directing our discovery engine towards diseases and pathways not adequately addressed by existing treatments.

As an early stage startup company, Vividion is looking for energetic and experienced candidates with a desire to work in a fast-paced, fulfilling and dynamic team environment. As part of a project team, the successful candidate will have extensive hands-on experience designing and executing primarily in vivo studies to support pre-clinical advancement of drug discovery projects. Title will commensurate with experience.

Experience and education requirements:

- BS with 8+ years or MS with 6+ years or PhD with 2+ years of industry experience (small molecule drug discovery is preferred).
- Hands-on experience with mouse and rat in vivo models.
- Proficiency in animal handling, various routes of dosing (PO, SC, IV), blood and tissue collection.
- Experience with tail vein injections and microsurgery is preferred.
- Familiarity with renal disease and/or anti-inflammatory disease animal models is a plus.
- Ex vivo experience including immunohistochemistry, translational biomarker development is highly desired.
- Expertise in cell pharmacology, primary cell cultures, basic molecular biology techniques and plate-based readouts.
- Excellent oral and written communication skills.
- Outstanding problem-solving and organization skills.
- Be an effective team player and strong individual contributor, self-driven, flexible, pragmatic and able to handle multiple tasks and deliver high quality results under tight timelines.

In addition to a competitive compensation package with stock options, Vividion also offers a comprehensive benefits package for our employees and their families, which includes medical, dental, vision, life, disability insurance. For consideration, please submit your resume and cover letter in PDF format referencing job **SSSB2019.08.22** to careers@vividion.com. Vividion Therapeutics, Inc. is an EEO employer.
